FREQUENCY CHART PRESENTATION - A = 432 Hz

Tuning reference for the whole Collection: A = 432 Hz (Frequency Chart & Music-Education Instructions). A=432 Hz is a tuning reference, not the same thing as applying a 432 Hz single tone throughout a song; frequency cue, sung pitch and lyrical peak are separate artistic decisions.

Chart values for the anchor frequencies this song uses (from the standing Frequency Chart's cue table):

741 Hz - Clarity and articulation; expose key truth lines

These frequency-to-emotion associations are symbolic production prompts (Frequency Chart evidence note).

THE SONG IN FULL - AS PRINTED IN THE SOURCE

C minor - 128 BPM - 4/4 - 741 Hz symbolic clarity / breakthrough

Applied Composer Pass - v05

Signature motif: C-G-Ab-G-Eb, percussive and repeatable.

Harmonic engine: Cm - Ab - Eb - Bb; bridge pedals C then rises chromatically.

Prosody / lyric emphasis: Hard consonants on STONE, WALLS, FALL; sustained vowel on "fall" only in chorus.

Emotional-frequency automation: Start narrow/monophonic; widen guitars each chorus; acoustic middle drops to one voice + one instrument before final impact.

Transition / ending cue: Final hit leaves one beat of silence before the last vocal tag.

Emotional / Spiritual Objective

Represent accumulated pressure and the breaking of a stronghold through rhythmic impact.

Instrument-by-Instrument Orchestration

Lead vocal: Rhythmic and forceful in the verse; chorus should be an anthem. Keep diction exceptionally clear over the dense rhythm section.

Rhythm guitars: Main syncopated low-string chug with a descending three-note answer. Verse stays tight and palm-muted; chorus switches to sustained power chords.

Lead guitar: 16 bars: first half rhythmic and motif-driven, second half increasingly melodic. Return to the chorus motif at the end.

Bass: Punchy, locked to the low-string riff. Add brief passing tones at phrase endings rather than constant movement.

Drums: Driving eighth-note kick in the chorus. Double-kick accents only at transitions; avoid continuous double-kick so the lyric remains dominant.

Acoustic guitar: Optional brief clean/acoustic texture in the breakdown to create contrast before the final impact.

Keys / pads: Dark low pad under intro and verses; remove during riff-heavy passages and return as a widening layer in the final chorus.

Backing vocals: Gang-style repetition on 'Strongholds fall' and selected final-line responses.

Lyrics

VERSE

Stone by stone the walls come down;
Truth is breaking through the ground.

What was hidden now is known;
Darkness cannot hold its throne.

CHORUS
Strongholds fall, strongholds fall,
When the light shines through it all.
I won't live beneath the chains,
Yeshua calls me out again.
