

SACRED NAME COLLECTION

Song 35 of 96 | The Curriculum Song Library (Music Education Master v05) - not in the three named groups

Collection: Music Education Master - Level Songs (v05 Expansion Song Bank) | Level / place: Grade 2

Per-instrument parts in source: NO - source prints the level instrument pathway, core theme, frequency arc and peak rule; no per-instrument parts

Truth on the Keys

Source: Sacred Name Music Education Master v05, Part 2 - Grade-by-Grade Expansion Song Bank

Version used: v05

FREQUENCY CHART PRESENTATION - A = 432 Hz

Tuning reference for the whole Collection: A = 432 Hz (Frequency Chart & Music-Education Instructions). A=432 Hz is a tuning reference, not the same thing as applying a 432 Hz single tone throughout a song; frequency cue, sung pitch and lyrical peak are separate artistic decisions.

This song's printed frequency arc: 285 -> 432 -> 741

Chart values for the anchor frequencies this song uses (from the standing Frequency Chart's cue table):

285 Hz - Low-register foundation, weight or tension

432 Hz - Project A=432 Hz tuning reference; also used in some compositional arcs

741 Hz - Clarity and articulation; expose key truth lines

528 Hz - Warmth and central love-theme treatment

639 Hz - Connection, relationships and belonging

852 Hz - Reflection and spacious resolution

963 Hz - Higher-register or reflective colour where specified

These frequency-to-emotion associations are symbolic production prompts (Frequency Chart evidence note).

THE SONG IN FULL - AS PRINTED IN THE SOURCE

Core theme | Truthfulness, heart choices

Frequency arc | 285 -> 432 -> 741

Instruments | Cumulative + keyboard/piano

Peak rule | Place the strongest melodic event on the most meaningful lyric; use subtraction before the true peak.

VERSE

Black key, white key, high and low,

Every choice can help us grow.

If I make a wrong today,

Truth can help me find the way.

CHORUS

Play the truth, clear and bright,

Let the heart come into light.

Yahweh, teach me what to do,

Mercy, courage, words made true.

BRIDGE / TAG

Soft chord, strong chord, breathe and see,

Truth can set a heart more free.

Teacher/Composer note: retain the grade's cumulative instrument pathway. Keep the low register for grounding or tension, warm the central love idea through 528/639 treatment, clear the texture at 741 when truth must be heard, and use 852/963 primarily for reflection, decay and space where those cues appear.
