FREQUENCY CHART PRESENTATION - A = 432 Hz

Tuning reference for the whole Collection: A = 432 Hz (Frequency Chart & Music-Education Instructions). A=432 Hz is a tuning reference, not the same thing as applying a 432 Hz single tone throughout a song; frequency cue, sung pitch and lyrical peak are separate artistic decisions.

These frequency-to-emotion associations are symbolic production prompts (Frequency Chart evidence note).

THE SONG IN FULL - AS PRINTED IN THE SOURCE

Thread: Knowing the Creator

Musical direction: C major, gentle and bouncy, about 100 BPM. Clap along. Every line has an action in parentheses - do the actions while singing.

Instruments: Shakers, tambourine, hand drums, jingle bells - every child plays, actions on every line.

Teaching note: The last line is the point of the whole song: the Creator who made the sun and the sea also made *me*. Let each child point to themselves on "He made me." Sing it often; the repetition plants the truth deep.

Chorus
Yahweh made the sun so bright, *(arms make a big circle)*
Yahweh made the moon at night, *(hands together under cheek, "sleeping")*
Yahweh made the birds that fly, *(flap arms)*
Yahweh made the big blue sky! *(arms stretch wide)*
Everything, everything, *(spin once)*
Yahweh made everything! *(arms stretch wide)*

Verse 1
Yahweh made the fish that swim, *(swimming motion)*
Yahweh made the trees so tall, *(reach up high)*
Yahweh made the little lambs, *(gentle head tilt)*
He made the big and the small! *(big arms, then tiny arms)*
(Chorus)

Verse 2
Yahweh made my eyes to see, *(point to eyes)*
Yahweh made my hands to clap, *(clap twice)*
Yahweh made my voice to sing, *(hands around mouth)*
And He made me - just like that! *(point to self, big smile)*
(Chorus)
