FREQUENCY CHART PRESENTATION - A = 432 Hz

Tuning reference for the whole Collection: A = 432 Hz (Frequency Chart & Music-Education Instructions). A=432 Hz is a tuning reference, not the same thing as applying a 432 Hz single tone throughout a song; frequency cue, sung pitch and lyrical peak are separate artistic decisions.

These frequency-to-emotion associations are symbolic production prompts (Frequency Chart evidence note).

THE SONG IN FULL - AS PRINTED IN THE SOURCE

Thread: Knowing the Creator - the detail of creation

Musical direction: A major, flowing, about 104 BPM. Each verse visits a part of creation. Add classroom instruments: shakers for the sea, bells for the stars.

Instruments: Violin/flute (melody), guitar strum, classroom percussion - sea shakers, star bells.

Teaching note: This song trains *observation* - the curriculum's science thread begins here. Take the class outside after learning it: find one thing Yahweh made and sing its verse to it. Wonder is the beginning of knowledge.

Verse 1 - The Mountains

I climbed the mountain, high and steep,
Where the quiet valleys sleep.
Who piled the rocks so high and grand?
The mighty hand of Yahweh's hand!

Chorus

Oh, the world He made, the world He made!
Every color, every shade!
From the mountain to the sea,
Yahweh made it all for me!

Verse 2 - The Ocean

I stood beside the rolling sea,
Its waves came dancing up to me.
Who taught the waters where to go?
Yahweh did - the sea waves know!
(Chorus)

Verse 3 - The Stars

I counted stars till I lost track,
A million white, a million black.
Who hung each lantern in the sky?
Yahweh did - He's way up high!
(Chorus)

Verse 4 - Me

I looked inside my wondering heart,
And found Him there, the greatest part.
Who made the one who's singing free?
Yahweh did - He made me!
(Chorus, big finish)
